WHERE TO BUY OFFICE FURNITURE

If you have been looking for the right supplier to purchase office furnishings, you are not alone. The question of where to buy office furniture is often a complicated one because factors like style of the furnishings, the quality and cost all come into play. Each business facility has a unique style of interior decor, and it is imperative that the furniture selected goes well with the overall look in the space. However, you also want to invest in quality furnishings that will be an asset to your facility for several years or longer. When you want to know where to buy office furniture, you do not need to look further than EquipmentStreet.com for assistance.

WHY EQUIPMENTSTREET.COM IS THE BEST OPTION

EquipmentStreet.com is unlike any other retailer or supplier that you may have worked with. EquipmentStreet.com has been designed to be your full-service resource. There are many retailers and suppliers you can choose to work with for your upcoming purchase, and most will carry several lines of furniture for you to choose from. However, the styles available in a specific store may be severely limited. This ultimately means that you may find yourself driving around from store to store in search of the right furnishings at the right price. EquipmentStreet.com is a bid site that gives you access to dozens of suppliers in one convenient location, so it provides you with a different overall experience than you would typically have shopping directly with a retailer.

HOW EQUIPMENTSTREET.COM WORKS

While you have many options, EquipmentStreet.com is the website if you want to save time and money. This is because the innovative bid process available to you through EquipmentStreet.com provides you with the opportunity to state exactly what you are looking for in your office furnishings. After you have created an order for the items you want to purchase, the order is distributed to dozens of suppliers. They ultimately will bid against each other to provide you with the best price possible. You may need to purchase a wide range of office furnishings like desks, tables, chairs and more, or you may just need one item.

PRODUCTS AND SERVICES

FINANCING SOLUTIONS THAT DELIVER LESS STRESS AND MORE SUCCESS

What makes companies truly stand out is how they choose to deploy their products, services, and resources. Selecting a financing partner ultimately comes down to what type and how much value you believe you are getting. Navitas took the path of developing an offering that empowers our partners to provide a comprehensive financing program without the need to dedicate significant time and resources. We provide you with the products that turn more prospects into customers with support systems that get you the answers before you can even get a chance to ask them. The end result is you get a financing program that drives sales without you having to manage the process...welcome to "worry free financing" from Navitas.

SERVICES AND SUPPORT THAT RELIEVES YOUR STRESS

At its very core, our servicing differentiation is based on our resourcing strategy. The Navitas leadership team has been in this industry for a long time and has seen a variety of staffing models come and go. Most equipment financing companies take the path of separation of responsibilities, creating a disjointed process that inhibits communication and utilizes resources with varying degrees of experience. Navitas does not and will not subscribe to that type of resourcing approach. We have taken the direction of **Total Account Management**, no separation of responsibilities; your assigned Certified Financing Professional manages all aspects of the relationship from application entry to funding.

PRODUCTS THAT DRIVE YOUR SUCCESS

We empower you to "configure" your financing program so it truly separates you from your competition. Navitas offers an extensive menu of products designed to support a broad spectrum of financing needs, maximizing your ability to close more sales with affordable and flexible payment plans. We have evolved our products to enable our partners to respond faster and smarter than their competition. Our job is to help you win more business with financing not only as a way to buy your products but also as a powerful sales closing tool.

WELCOME

"As soon as I saw it, I knew that the land, from where you could see magical islands, was my second home, and hence I came to live there. I am on a cliff high above the sea; it's a truly breathtaking view. During the day, as I look at rocks and caves one hundred meters underneath me from my hut, the crystalline sea becoming deeper and deeper, I know that I am in one of the most beautiful places on earth".

Sincerely,
Giuseppe Be

Welcome

Welcome to our website - your online resource for both our offices Fleming Island Title and Olde City Title. For your convenience, please note our two locations, where you will consistently receive the same high level of service from our dedicated and experienced staff. Our goal is to provide our customers a real estate transaction that is positive and stress free and we pride ourselves on fast service and a professional "get it done" attitude. Once you have placed your order with us, you can be assured that we are big enough to get the job done, yet small enough to care about every closing.

History

Background:
Fleming Island Title was started in 1998 by Mike & Kathy Green and Jeff & Desiree Owenby. As an attorney and builder/realtor, we were frustrated with the quality of good closers in our area. Since its origin in 1998, our business has flourished. We feel this is due to the personal attention we give our customers, who range from for sale by owners, builders, private investors, realtors, banks, and mortgage brokers. We also have an office located on C.R.
